EXPERIENCE

October 2007
to Present

Fourth Wall Media Inc., Toronto, Ontario
Web Developer

Analyzed design and data requirements for website development. Worked with the lead Web and Flash Developers to design, develop and deploy backend data systems for kiosk and on-line flash gaming applications. Performed quality assurance testing, monitoring and reporting on various websites and kiosk applications. Contributed in creative sessions with teams to conceive new ideas and concepts to new projects.

July 2007
to August 2007

CTV Inc., Toronto, Ontario
Digital Media Operations Assistant (Internship)

Provided support and testing for code in newly developed components. Assisted in the development of a new quality assurance lab and the installation of internal production tools. Also built code for in-house applications.

April 2005 to
May 2007

Northern Physique Media Group, Burlington, Ontario
Partner, Editor-In-Chief & Website Producer

As Editor-In-Chief, oversaw the news and content production for the company. Monitored web quality standards based on company guidelines. As Web Producer, analyzed traffic metrics and developed content and SEO strategies to drive traffic to the website. Also provided training for staff.

May 2005

Anime North, Toronto, Ontario
Convention Floor Video Producer Volunteer

Oversaw filming and production sessions within convention events. Directed interview sessions with convention guests of honor. Provided video camera and interview training to volunteers.

September 2000
to April 2004

University of Windsor Center for Flexible Learning, Windsor, Ontario
Multimedia and Production Assistant

Worked with the University of Windsor's Media Production Unit on several productions and video shoots. Duties include operating and configuring media production computer systems, participating in editing projects with professors and students as well as the operation of Studio and ENG equipment. Also supervised operations of Master Control.

May 2002
to August 2002

Ministry of Health and Long Term Care (Central West Office), Mississauga, Ontario
Customer Service Representative

Performed assessments of client's eligibility to provincial health coverage. Performed Ontario health card registration, revision and inquiry transactions for clients. Performed various office duties.
